Prayer Partner : The Leprosy Mission, England and Wales

Department : Training Unit

Chapel Services : 9:00 am Tamil Service
6:00 pm English Service

Bible Verse for the Week

LORD, who may dwell in your sacred tent? Who may live on your holy mountain?

The one whose walk is blameless, who does what is righteous, who speaks the truth from their heart; whose tongue utters no slander, who does no wrong to a neighbor, and casts no slur on others;

who despises a vile person but honors those who fear the LORD; who keeps an oath even when it hurts, and does not change their mind; who lends money to the poor without interest; who does not accept a bribe against the innocent.

Whoever does these things will never be shaken.

- Psalms 15

Special Prayers for Training Unit

Mr. David Prakashkumar
Mr. Christopher Vethakan N
Mrs. Sangeetha P
Mr. Naveen Kumar J
Mr. Narayanan
Mr. Manjunathan

Congratulations!!

Kudos to Mr. Lokesh Kumar who completed the Diploma in Radio Diagnosis course from our institution was awarded a special prize for ranking 3rd in the CMAI Exams for the course in the country. Mr. Lokesh Kumar is the son of Mr. Selvakumar (Surgery Dept) and Mrs. Ranjani (Nursing Department).

Training :-

47 students and 2 staff members from KMCH college of Physiotherapy visited and stayed in our institution for a week for the 'Essentials of Physiotherapy in Leprosy' course. As part of the course, faculty from various departments of Schieffelin Institute took classes. They also went on a field trip and completed practical sessions in the Physiotherapy department.

CMC Nursing Students visit :-

100 students of MSc (Nursing) and Fellowship courses from College of Nursing, CMC Vellore were on a visit to our institution on 20th September afternoon. They were given an introduction about the history of Karigiri and the Leprosy work that is going on. Then, they were also taken on a tour around the hospital.

Pegasus 2019 :-

Schieffelin Institute was represented by a team of students from the College of Health Sciences in Pegasus 2019 at CMC, Vellore. They participated in events such as volleyball, football, cricket, athletics and PUBG tournament. Our students with minimum practice and with no real professional help were able to challenge CMCH - Vellore, GVMC—Vellore, Nellore Medical College, Vels Medical college, Kottayam Medical College and JSSR Dental college in the events such as Cricket, Volley ball and Futsal (6 Per Side Football). Though they couldn't make a big impact winning the events, they really challenged the bigger teams and made them run for their money during the league stages.

On the final day our team (Nithish, Ranjith, Rabbin and Ashwin) won the PUBG tournament against CMCH vellore, and marked our presence in the points table.

Our Institution congratulates all the participants, who had carried our flag with a sporting spirit and special greetings to the winners.

Annadanam
